

## Founder Chairman

### **Dr. Kali P. Chaudhuri and the KPC Group**

The KPC Group is a worldwide conglomerate- founded by Mr. Kali Pradip Chaudhuri.

Dr. Chaudhuri is recognized worldwide as a visionary who has successfully integrated modern medical science with state-of-the art technology, tools and today's Information Technology enabled management techniques to create a unique business model in the healthcare industry.

A highly successful physician/entrepreneur with immaculate credentials, Dr. Chaudhuri has practiced in four major Continents and in countries like USA, Canada, UK & South-East Asia. Operating from his base in Southern California, Dr. Chaudhuri has implemented his service model to create a highly successful portfolio of Medical/ Healthcare operation that serves over 700,000 people world-wide.

A constant workaholic, also known as the “perpetual fountain of energy” to his friends and colleagues, Dr. Chaudhuri derives the inspiration to build his dream from Indian traditional culture, heritage and values. He lives in Hemet, California with his wife Sunanada, and children, Kali Priyo and Sumanta.

Dr. Chaudhuri along with his extraordinary clinical skills had always been keen to uplift the standard of medical and nursing education in our country. Hence he was the driving force to establish the KPC medical College and Hospital as one of the leading private medical and nursing colleges in the state of West Bengal.
